If you have benefits, you may want to ascertain if you have travel coverage through work or your personal insurance policies that can supplement insured limits should you choose. Some families also decide to purchase additional travel coverage on a separate policy. IF you choose to do so, we recommend completing this transaction as soon as possible and prior to your child's travel date. We are not required to have this additional coverage information, as for confidentiality purposes, we cannot initiate claims.

We recommend downloading the insurance app [ACM TravelAid™](#) for reference. It also provides some interesting travel tips!
